World Happenings In Pictures

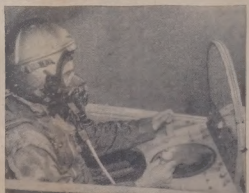

ONE SHOE OFF, ONE SHOE ON—Unlike "my son, John," of the Henry Thyme, Swedish ex-Prince Laurens wasn't caught in bed in last presidential. He had one shoe "off" at take-off point of the ship going to Stockholm, Sweden. He had one shoe on and landed the run on his stomach, in fact. Longtime movie camera caught this high-point of jump.

"MITE TOO FAST"—"Uncle" Billy Carter, 100, gave back over a long vista of years that even a jet, background, 1927 plane, as he took flight. Air Force Base, Fla., as part of his 100th birthday celebration. He is now the only known living Confederate Army veteran. The Florida native says things are a "little less fast" these days.

HERE'S WHAT'S UP AND COMING FOR NATION'S AIR ARMADA—P-48 Thunderbolt, right, is being into new era of military aviation from bed of a recently designed track near Baltimore, Md., with assist from booster-jet bottle seen hanging beneath tail. It reaches 120-mph-plus take-off speed in five feet, rather than from 8,000-foot-plus runway. Technique is joint development of U.S.A.F.-Cranes L. Martin Co. Helio, Office of Naval Research says instrument panel is mock-up of flight system which will use in-flight test in about three years. Radar scope in bed of pilot and semi-circular photo scanning window represent that television tubes which will provide pilot with all operational data.

PROVIDENCE GUIDES THE FLOW—Seeking God's blessing on the spring drive, relatives of Christopher Columbus, bring a statue to church for a symbolic blessing by the Bishop of Chiboutier Cathedral. The statue, dating back to the 15th Century, is now an annual affair.

A ONCE-FAMILIAR SIGHT to many Montebello is the Titanic, the last of the adventures on Lake Champlain. The 49-year-old 760-ton steamer, is being towed to the Binghamton Museum, five miles south of Burlington, N.Y. Builders made a white contrail for the famous portage in the museum.

FASHION BLOSSOMS OUT IN LACE—Collar and cuffs of wool coat, for spring, left, are decorated with Almond lace. First made in Almond, France, in the 18th Century. Almond is delicate, yet strong. Right, makes really dry washing something to look forward to. Water-resistant rain coats are of the same design.

A U.S. NAVY REGULUS is launched from a portable cradle on the flight deck of the aircraft carrier Hancock during a Pacific test. Two jets (jet assisted launch) bottles drop off after riding the guided missile on its way. The Regulus is powered by a jet engine.

GEORGE HORNE, champion of the Detroit Fox Tigers, has stated the Maurice Richard scoring record is out of his reach. NHL figure chose that Richard has scored 507 goals in 12 1/2 seasons while Horne has scored 263 in 12 1/2 years.

SIR EDMUND HILLARY, Mount Everest's companion, smiles as he shows off his son, Peter Edmund. The child was born December 21 in Auckland, N.Z.

SEYMOUR HOWARD, Lord Mayor of London, shakes hands with Paul Green, four, one of the guests at the traditional Lord Mayor's Banquet party held annually at the Mansion House. Paul represents Dan Cuckoo, British newspaper publisher.

NICE, BUT UNCOMFORTABLE—Candor's a matter of military as Europe weathers through its most-crisis winter. Visitors thronging the Promenade des Anglais at Nice search French resort, where, but exists a necessary nuisance during their holiday on the usually mild Riviera. Better, a haven by the beachfront is not as pleasant as a stretch of beach on the Riviera, but it is a welcome refuge from the bitter cold for the hundreds of French. French officials have made closed-down subway stations available at sleeping quarters for the uncomfortable.
